Dear Mrs Oxenham

Bus service: Brentor

Further to my letter dated 31 March 2016, I am now in receipt of responses from both Devon County Council and Plymouth Citybus, copies of which I enclose for your information.

Regrettably, you will find their replies disappointing as both the Council and Plymouth Citybus remain resolute in their decision to alter this service, fully setting out their reasoning for this in their replies.

Regrettably, as I said in my previous letter, I am not in a position to force either the Council or a commercial organisation to take a particular course of action, I can only pass on representations on behalf of my constituents, as I have done in this instance but regrettably to no avail.

I am very sorry that I have not been able to bring about a more positive outcome in this instance. However, if there is anything further that I am able to assist with in the future then please do not hesitate to contact me.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'A. Cox'.

I will treat as confidential all personal information you give to me or to my staff. I may need to pass on this information to others so that they can help you. I undertake to handle the information you give me in line with requirements of the Data Protection Act 1998.
